Tribute Details

When writing tribute details, it is common to share a prayer for guests, a Bible verse, or to honor the individual(s) mentioned with a story of their ministry. Our staff are available to help with ideas if you are interested.

Gift Details

In order to hold a tribute opportunity, 20% of the pledge must be paid at time of pledge. All tribute gifts must be paid in full upon the completion of each lodge construction. If gifts are not paid in full by this time, the tribute opportunity will be offered to another donor. Lodge construction timeline is completely dependent on cash flow of gifts.
